

THE GAMBIA GAP YEAR TEAM 2018

Gap Year Teams have been going out with Crosslinks since 2002. As part of the 2018 Gambia Team, you'll have the chance to travel and experience a totally different culture while serving God and getting a taste of overseas mission work: all as part of a fun team of young adults.

When? Jan - May 2018

Where? Fajara, The Gambia

Who should apply? If you are a committed Christian and a school leaver who is up for a challenge, then this is for you! Teams are typically made up of up to 10 Gap Members and 2 Team Leaders (usually an even split of male & female).

What will you do when you're there?

- work in local schools
- serve a local church
- share the good news about Jesus
- take part in children's and youth work
- get to know God better from the Bible
- learn to lead Bible studies for yourself
- join in mission events with GamFES (university CUs)
- make lasting friendships as a team and with locals
- have a chance to explore the Gambia

How much will it cost? Around £3,500 (final cost tbc). This includes: flights, insurance, accommodation, transport, food, living expenses, orientation & debriefing, health advice & DBS check... essentially everything except personal spending money and any personal preparation before you leave the UK.

holidays**
early-bird booking

Crosslinks receives a large number of applicants for gap year teams. We will accept early bookings before the trip is widely opened from Titus Trust members from summer 2016 until the 6th Form Winter Conference. Therefore, to make the most of this priority, **please register your interest and request an application form by emailing short-term@crosslinks.org by 22nd December 2016.**
